

Notice of Proposed Installation Utility Line on Non-Controlled Access Highway

To the Texas Transportation Commission
c/o District Engineer
Texas Department of Transportation
_____, Texas

Date _____

Formal notice is hereby given that _____
Company proposes to place a _____
line within the right of way of _____ in _____ County,
Texas as follows: (give location, length, general design, etc.)

The line will be constructed and maintained on the highway right of way as shown on the attached drawing and in accordance with the rules, regulations and policies of the Texas Department of Transportation (TxDOT), and all governing laws, including but not limited to the "Federal Clean Water Act," the "National Endangered Species Act," and the "Federal Historic Preservation Act." Upon request by TxDOT, proof of compliance with all governing laws, rules and regulations will be submitted to TxDOT before commencement of construction.

Our firm will use Best Management Practices to minimize erosion and sedimentation resulting from the proposed installation, and we will revegetate the project area as indicated under "Revegetation Special Provisions."

Our firm will ensure that traffic control measures complying with applicable portions of the *Texas Manual of Uniform Traffic Control Devices* will be installed and maintained for the duration of this installation.

The location and description of the proposed line and appurtenances is more fully shown by _____
complete sets of drawings attached to this notice.

Construction of this line will begin on or after the _____
Month/Day/Year

TxDOT offers no objection to the location on the right of way of your proposed _____
line as shown by accompanying drawings and notice dated _____ except as noted below.
Month/Day/Year

It is expressly understood that TxDOT does not purport, hereby, to grant any right, claim, title, or easement in or upon this highway; and it is further understood that TxDOT may require the owner to relocate this line, subject to provisions of governing laws, by giving thirty (30) days written notice.

You are requested to notify this office prior to commencement of any routine or periodic maintenance which requires pruning of trees within the highway right of way, so that we may provide specifications for the extent and methods to govern in trimming, topping, tree balance, type of cuts, painting cuts and clean up. These specifications are intended to preserve our considerable investment in highway planting and beautification, by reducing damage due to trimming.

The installation should not damage any part of the highway and adequate provisions must be made to cause minimum inconveniences to traffic and adjacent property owners. In the event the Owner fails to comply with any or all of the requirements as set forth herein, the State may take such action as it deems appropriate to compel compliance.

● **General Special Provisions:**

● **Revegetation Special Provisions:** In order to minimize erosion and sedimentation resulting from the proposed installation, the project area will be revegetated

- ☐ in accordance with TxDOT's Standard Specification Item 164 which specifies the appropriate grass seed mix to be used or
- ☐ as indicated on the attachment.

Please notify _____ forty-eight (48) hours prior to starting construction of the line in order that we may have a representative present.
